day. The deceased gentleman was brought to the President of the Health Board, whom we beg to condole on the sad loss.

There are no fewer than 170 persons in Leitch's opera company for the Politicians which is expected here on the 25th inst.; will sing thirty times during the season.

A bank in the Chaco really sounds like a pretty free joke to all residents; nevertheless, thanks to the efforts of the energetic Governor of that Territory, before one year expires the Chaco Bank will be accomplished fact. It is not stated whether it is to be Free or not, but we suppose.

Fangers of guaranteed railways looked pretty paler and more care-worn than yesterday, owing to a well-founded rumor that the new Minister of the Interior is preparing a bill for them in connection with which all Dr. Wilde's measures will be null and void.

Admiral Brown is now taking in for her cruise to Europe; she will sail or about the 20th.

Some unpleasantness in the Bahia Blanco Custom House from a cash point of was reported last week; and it now hears that the accuser, not the accused, the party in the hot water. This is the case in life.

The new Finance Minister is said to have his eagle eye on one of the departments engaged in scooping in an important.

There is nothing wrong, only some loose, loose and lazy.

The Prensa had a report...

to run a railway into the very heart
so far South to Chupat, and lay the
stations of a future population of fifty
ons of souls, which the Rio Negro and
out Territories alone could maintain
the greatest ease.

There was another roll of the Yellow
drum yesterday, at Rosario. It ap-
pears that there have been several cases
of "gastro enteritis," "internal perfora-
tion" or something amongst the shipping
men, and there was great alarm until all
doctors were called.

ture has undertaken to reduce the
oric stock of horned cattle in the
ry at present. An epidemic that kills
the calves at birth is reported to have
on out in several parts of Buenos Ay-
rovinco.

to have heard and read a great deal
of the sudden rush by young men
and to learn modern languages, espe-
cially Spanish, in order to compete
with the ubiquitous Germans, to whom
the tongue is a mere joke. Not so,
gent to see with

gent for the intricacies of hunting, fishing, boating, cricket and other sports than for "purlez-vousing," and they generically style all foreign languages. We received yesterday the following de-splitting sample of Birminghamish from a gentleman anxious to come here:—

Senores,
he mucho gusto en ofresorse a usti-
servicios de mia llenar vos vacio.

Soy Senores,
Yo servidor obedecer.
talented colleague M. Paul Ribeau
published a most eloquent article in
day's *Courrier* on the tortures to
the Lacroze Tramway horses are
acted. It is all only too true. Only
week two starved horses dropped
under these cars. Oh! for the Elec-
trotor, in humanity's name,
eral people saw a splendid meteor
ing about the Southern Cross on
about the time

...one day, and, having forgotten
...key, was hurrying home to avoid
...tic unpleasantness. It was only
...for about forty seconds.
...had yesterday a chat with a subscrib-

...as a consequence.

Decree was issued yesterday naming following gentlemen to represent the public at the Paris Exhibition: Dr. Porta, Dr. M Demaria, Dr. J A Terry, Dr. O'Connor, Dr. C. Servian, Dr. Porta, Dr. F Toledo, Dr. J Luro, Dr. Mariaga, L de Chapeaurouge, Dr. R. R. Lezica, J Lelong, and A Manigot are a good deal of jaw-wowing about the "false" alarm of yesterday raised the other day. Yesterday was a kind of brothers-we-are-all-in-

method, concerned in the mind. The public are now in a most desir-
able frame of mind, and don't believe a
word of what the doctors say either pro
ference to fever, cholera, gout,
or, anything else.
